Accessing Online Resources at HCDSB
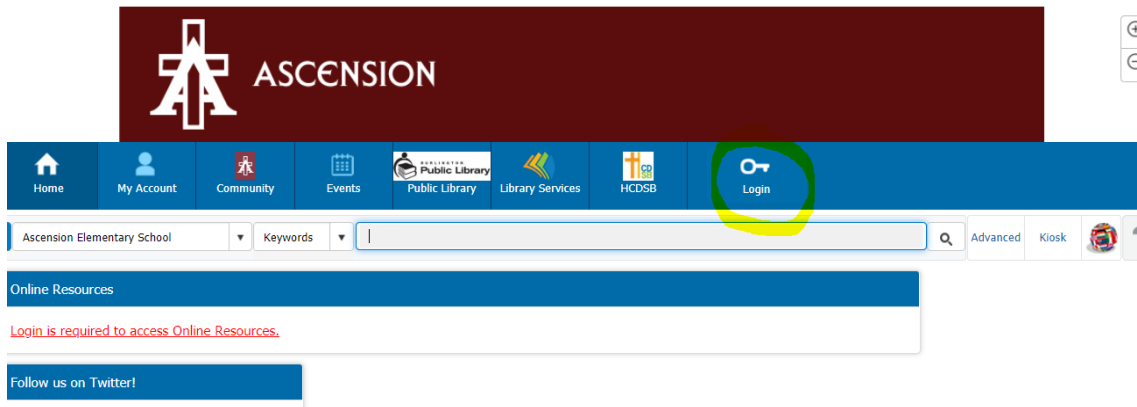

1. Go to the Halton Catholic District School Board home page at
   https://www.hcdsb.org/

2. Go to **Library Services** by hovering over **Students** or **Learning & Resources**
   and clicking **Library Resources** (or click the hyperlink)
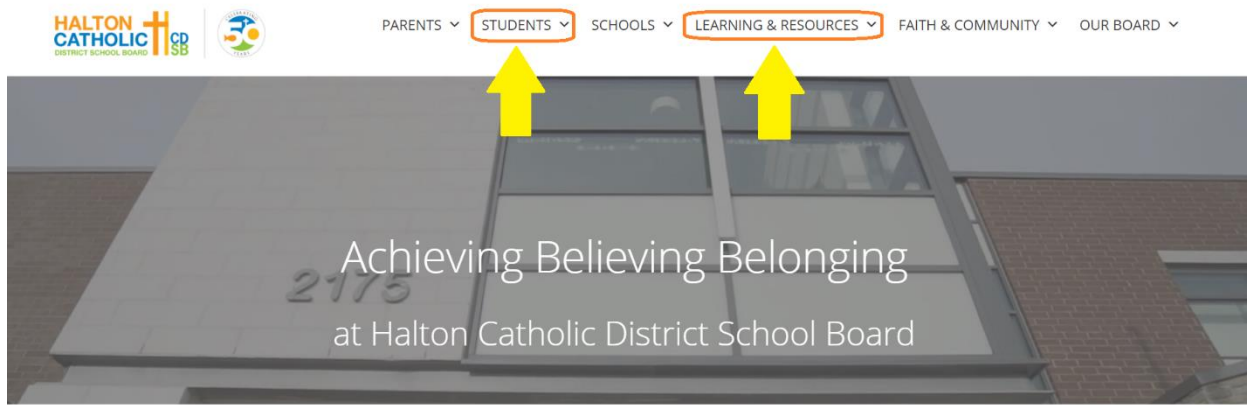

3. Select your school from here:
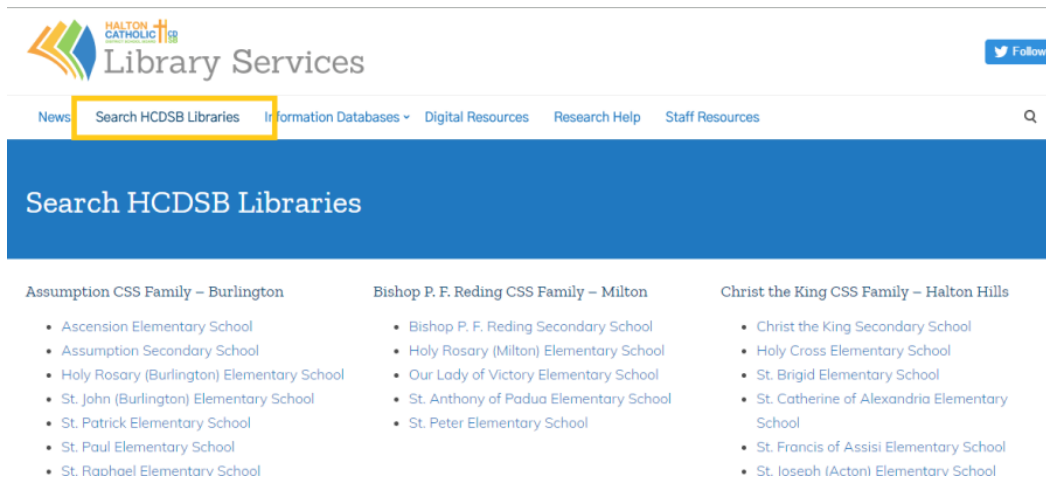

You will come to the landing page for your school catalogue. Once here you
will be prompted to login:

4. Login using your school login information

**Students: If you do not have student login information proceed to Step 6.**

5. Once logged in, students and staff will be able to access all of our online resources.

6. **No Student Login information:**

- Go to **Library Services** (or click the hyperlink)

- Select Information Databases:

- Select Elementary or Secondary

Staff can access resources under Staff Resources. These resources are subject specific. If you are prompted for passwords please contact lrc@hcdsb.org and we will send you a list.

Library Services has excellent Digital Resources and Research Help as well. If you have any questions or require any research help, contact a library professional at lrc@hcdsb.org.
